

ANTITOX vs ANTITOX 2

Both of these formulas share the common actions of clearing Heat and resolving Toxin. **ANTITOX 2** also has a strong action to clear Damp-Heat.

ANTITOX is often used in viral infections, particularly of the upper respiratory tract and **ANTITOX 2** is often used for bacterial infections, particularly of the gastrointestinal tract.

ANTITOX Formula (CM105)	ANTITOX 2 Formula (CM175)
<ul style="list-style-type: none"> • Hepatoprotective 	<ul style="list-style-type: none"> • Broad spectrum anti-bacterial
<ul style="list-style-type: none"> • Acute infections (mainly viral) 	<ul style="list-style-type: none"> • Anti-inflammatory
	<ul style="list-style-type: none"> • Anti-pyretic
