

JOINT EASE 1 vs JOINT EASE 2

Both formulas treat pain and inflammation of the joints.

JOINT EASE 2 contains several Heat clearing ingredients and focuses on joints that are red, swollen and hot to the touch.

JOINT EASE 1 contains Blood nourishing and activating ingredients as well as a balance of Heat

Clearing and Cold dispelling herbs. Thus it provides more general use in various types of painful arthritis and well as muscle and ligament disorders where there are no marked features of either Cold or Heat.
